

My Clouds

There are no right or wrong answers — write, draw or just talk about whatever you like in each cloud.

Name _____

Date _____

1

What do people worry about for you?

What other people have noticed

2

What have been the things you have found difficult in your life?

Things that have happened to you

3

What are the things that trigger you, or make things more difficult for you?

Moments, places, people or feelings

4

What are the things that keep you stuck?

What gets in the way of things changing

5

What are the things that help you and keep you safe?

Your people, your places, your ways of coping
